

## PRINCE2® Agile Foundation & Practitioner Combined Course

### Overview

The **PRINCE2® Agile Foundation & Practitioner Combined course** is a comprehensive program designed for professionals seeking to master the integration of **PRINCE2 project governance** with the **flexibility of Agile delivery**. This accelerated certification path equips candidates with both foundational theory and practical application of Agile practices within PRINCE2-controlled environments.

Ideal for professionals looking to gain dual qualifications in a single engagement, this combined course covers core project management principles, Agile frameworks (Scrum, Kanban, Lean), and advanced techniques to tailor PRINCE2 for Agile success.

---

  - Technical support for exam setup and scheduling
- 

## Frequently Asked Questions (FAQs)

### 1. Is training mandatory to sit for the exam?

Yes, accredited training is required for PRINCE2 Agile Practitioner. Foundation has no formal prerequisites.

### 2. How do I access the official eBooks?

Once your PeopleCert voucher is issued, you can log into your account and access the eBooks under "My eBooks".

### 3. How long are the vouchers valid?

You have **12 months** from date of issue to schedule and sit for both exams.

### 4. Can I take both exams back-to-back?

Yes, many candidates complete the Foundation exam on Day 2 and Practitioner on Day 4 or later.

### 5. Do you offer team or corporate packages?

Absolutely! Contact us for customized team training plans and bulk pricing.
